Audit of all activities	All staff are aware of a range of interventions available in the academy to meet the needs of all students.  Wider curriculum enables access and ensures participation by disabled students.	
Long Term	The Trust is prepared for the eventuality of receiving any Pupils/ staff with a disability.	Consult with feeder schools on potential new students each year and review current provision.	Taking into account the site and buildings reasonably practicable measures have been taken to ensure equal access to the curriculum for all students.	All pupils irrespective of disability are equally able to access the curriculum.
	The Trust supports all children with medical conditions.	A generic Trust policy will be in place stating how children will be supported in schools.  Individual Health Care plans will be put into place, followed & reviewed.  Sufficient staff will be trained to support children with specific medical needs.	All children will have full access and have the same opportunities at school as any other child. This will be monitored regularly and reviewed by school Governors.	All pupils regardless of a medical condition will be able to access school fully & be supported.
